

Long Rifle RBR

Date of Birth: 04/14/2022 **Registration 1:** BI104729

Here is an opportunity to ad great breeding to your herd. Starting with M2 Rifleman as his sire and adding Concealed Weapon, Sharp Shooter 542, Hubble's Rio Glory, JP Rio Grande, Drag Iron and MK Sleep Easy to propel your herd to the top. At 22 months he was at 58.5" tip to tip with great lateral horn.Don't be afraid to raise your hand on this young bull. He has been breeding soundness tested and is ready to roll.
